

Gen. John J. Pershing Addressing Large Audience at Arlington on Memorial Day

By International Film Service.

One of the impressive features of Washington's Memorial day was the unveiling of a monument to Rear Admiral Charles Wilkes, discoverer of the Antarctic continent. Admiral Wilkes was commander of the first scientific expedition ever fitted out by the United States Government.

E. Harris & Ewing.

First Decoration day for American heroes killed in France and buried in Arlington cemetery. Wireless towers in the background.
